

# Transition and Employment Program

*We support...*

the mental health and wellbeing of first responders and their families - the people who protect and care for our community.

**Are you transitioning out of first responder employment?**

We offer one-on-one support with agency and self-referral options.

**1**

## Transition support

- Plan your post-service life with the support of a Transition Engagement Officer
- Advice and support on moving into life after your service
- Community connection

**2**

## Employment support

- Develop/review civilian career goals
- Job search skills, including skills translation
- Career prospects with our Pledge Partners
- Job readiness workshops
- Networking events

**3**

## Alternative pathways

- Education
- Recognition of prior learning (RPL)
- Internships and traineeships
- Volunteer placements
